FORM A

**ACKNOWLEDGEMENT OF TAX CONSEQUENCES**

Oregon law requires that any property receiving special farm tax assessment be disqualified from such tax status upon receipt of preliminary approval for a non-farm dwelling. In addition, the law requires that certain taxes associated with disqualification be paid before the non-farm dwelling can be built. The statute, as set forth in ORS 215.236, reads as follows:

Loss of Tax Deferral

- a. Pursuant to Oregon Revised Statutes 215.236, a non-farm dwelling on a lot or parcel in an Exclusive Farm Use zone that is or has been receiving special assessment may be approved only on the condition that before a building permit is issued the applicant must produce evidence from the County Assessor’s Office that the parcel upon which the dwelling is proposed has been disqualified for special assessment value for farm use under ORS 308.370 or other special assessment under Oregon Revised Statutes 308.765, 321.730, or 321.815 and that any additional tax or penalty imposed by the County Assessor as a result of disqualification has been paid.
- b. A parcel that has been disqualified for special assessment at value for farm use pursuant to Oregon Revised Statutes 215.236(4) shall not re-qualify for special assessment unless, when combined with another contiguous parcel, it constitutes a qualifying parcel.

I/We the undersigned by my/our signature acknowledge having read the above provision and I/we understand that under Oregon Real Property Tax Law, approval of this non-farm dwelling/application may result in significant deferred real property tax liability.
