

Crook County Community Development

Planning Division Mission Statement:

The Planning Division mission is to guide public and private development efforts in a manner which improves the quality of life in Crook County.

The Planning Division conveys its responsibilities in a transparent manner under the direction of the County Court, the Planning Commission and the Community Development Department. All actions taken by the Planning Division are required to be consistent with the Crook County Comprehensive Plan, Transportation System Plan and Land Use Code.

The Planning Division implements these requirements while respecting the overall views and interests of the County and residents who are impacted by specific projects or changes.
