

# SOLAR ECLIPSE ROUTE INFO!

All routes will be starting at midnight August 14th – August 25th.

Please make sure your roll-carts are set out the night before your route day. We will do our best to service every customer on their normal route day, but please keep in mind with the unpredictability of traffic some services may be missed.

We would greatly appreciate your patience during these two weeks.

Respectfully,  
Your Prineville Disposal Staff
