Site Plan Review - Farm Stands

Farm Stands are permitted uses under Crook County Code and are authorized by Oregon Revised Statute (ORS) 215.283(1)(o). Farm stands are designed and used for the sale of farm crops or livestock grown on the farm operation, or grown on the farm operation and other farm operations in the local agricultural areas, including the sale of retail incidental items and fee-based activity. The local agricultural area includes all of Oregon.

"Farm crops or livestock" includes both fresh and processed farm crops and livestock grown on the farm operation, or grown on the farm operation and other farm operations in the local agricultural area. As used in this subsection, "processed crops and livestock" includes jams, syrups, apple cider, animal products and other similar farm crops and livestock that have been processed and converted into another product but not prepared food items.

Farm stands do not include structures designed for occupancy as a residence or for activity other than the sale of farm crops or livestock and do not include structures for banquets, public gatherings or public entertainment.
