

Victim Contact Information and Availability

Please fill out the information below and return it to **Crook County District Attorney's Victim Advocacy Office** with the Victim Impact Statement and the Restitution Information Form (if applicable) as well as the Consent Form. It is important that our office has accurate and current contact information for you, so we can keep you informed of case events and court proceedings. In the event this case is set for trial or you need to be present for a hearing, the court will take your schedule into consideration by asking the District Attorney if you have been notified of the prospective trial date and if the date accommodates your schedule. **Please keep Crook County District Attorney's Victim Advocacy Office informed of any changes to your contact information at 541-447-4158.**
