

meeting with the Juniper Canyon citizens regarding needs for transportation.

The County has provided \$5,000 and is now asking for an additional \$10,000, \$5,000 now to cover costs involved with successful grant applications, and another \$5,000 when the grants are awarded to cover the costs associated with the STIF Project and transportation plans and fees.

Motion

Commissioner Brummer moved to approve the COIC funding, \$5,000 now and \$5,000 if successful in obtaining grant funding. Commissioner Barney seconded the motion. The vote is 3-0, motion carried.

COIC Presentation of upcoming STIF Project; Requester: Angela Breault and Derek Hofbauer

Derek Hofbauer, COIC, presented a quick overview of the Intergovernmental Agreement between COIC and Crook County regarding the STIF program, HB 2019, with investments, students in grade 9 through 12 and low-income transportation. Bylaws have now been approved by the STIF Committee. Josh Smith is chair of the advisement committee that will handle the ODOT STIF Funding. The 1st meeting was held of the committee to hear and understand the STIF funding, purposes and uses. The second meeting was held to dig in and rank the projects and STIF projects. Mr. Hofbauer explained the funding process for projects. The 100% percent funding goes up to \$499,000. ODOT encourages the committees to approve a 130% list. The plan with this program will be adding more hours of service to the approved projects. Regional projects include Saturday service for the community connector and later, service for Crook County with education on the services to the public. CET is working now to submit the plan and will find out in the fall if the funds are available and if projects are approved. Discussion held on the alignment of the recommendations for the project ranking. Judge Crawford provided information regarding the needs of the Juniper Canyon residents.

Andrea Breault presented information regarding a \$250,000 service enhancement grant for the Juniper Canyon route. Mr. Hofbauer presented additional information on the number of people attending the technical advisory committee meetings. A plan is being finished for the CET master plan for when and where transit services are needed. The application must be submitted by May 1st. Commissioner Brummer thanked Mr. Hofbauer and COIC for all the work done on the STIF plan. Commissioner Barney asked if there was any cost sharing. Mr. Hofbauer explained that each county wanted its own project so the shared costs out of the funding would be cooperative sharing resulting in an overall project. There is no match requirement, and this is intended to be a stable funding into the future by the state.

Motion

Commissioner Brummer moved to approve the STIF Plan and the associated projects as ranked on the list by priority. Commissioner Barney seconded the motion. The vote was 3-0, motion carried.

DISCUSSION

Public Hearing: First Reading of Ordinance 310 Amending Chapter 17 of the Crook County Code Relating to Road Design Standards and Declaring an Emergency – Requester: Jeff Wilson

County Counsel Jeff Wilson explained Ordinance 310 amending Chapter 17 of the Crook County Code. Ordinance 310 was discussed in an earlier Work Session and addresses site plans and subdivision done prior to December 17, 1973. There is continual confusion on those properties. This ordinance gives notice to the public and the process. For properties and lots planned prior to December 17, 1973. Those property owners
