Agenda Item #1, Covid-19 Update: Health Department Deputy Director Katie Plumb provided the Court with a Covid-19 update. The Health Department will be holding a vaccination clinic at Cary Foster Hall until May 25th, after that date vaccinations will take place at the Health Department. There has been a recent surge in Covid-19 cases, with 41% of the 56 cases being labeled as sporadic due to unknown origins of the virus.
