RE: Repair quotes for Road Department Shop
Our File No.: Road Misc. 1 (C)

The Road Department sought three competitive price quotes to complete ordinary repair work on the shop building's roof pursuant to ORS 279B.070 and Crook County Code 3.12.060(2). Two bids were received:

- Always Dry Roofing: \$40,000.00.
- Hamon Roofing: \$39,500.00.

Hamon Roofing is licensed with the construction contractor's board with no complaint history or disciplinary history for the last 10 years. It is registered with the Oregon Secretary of State's office, and staff is aware of no reason to deem it as non-responsible under Oregon law.

Bob O'Neal recommends the County award the repair contract to Hamon Roofing as presenting the best value to the County.

Please let me know if you have any questions.

Please place this memo and the attached document(s) on the Wednesday, August 3, 2022 County Court Agenda as a DISCUSSION ITEM, for approval and signatures
