CONSTRUCTION CONTRACT

In consideration of the covenants herein below set forth, [contractor], hereafter referred to as CONTRACTOR, and Crook County, a political subdivision of the State of Oregon, acting by and through its County Court, hereafter referred to as COUNTY, mutually contract as follows:

I. ESSENTIAL TERMS

- 1.1 CONTRACTOR agrees and covenants to perform and complete the work herein described and provided for and furnish all machinery and necessary tools, apparatus, equipment, supplies, materials, and labor, and do all things in accordance with the applicable specifications and any such alterations or modifications of this Construction Contract as may be made by COUNTY, and according to such directions as may from time to time be made or given by the Project Manager, under authority and within the meaning and purpose of this contract.
 - 1.1.1 All contract documents, certifications, plans, and bid specifications provided in the bid proposal document, any addenda, and the bid schedule of contract prices in the CONTRACTOR'S bid proposal, are hereby incorporated by reference as if the same were fully set out in writing and inserted herein. Said documents, together with this Construction Contract and its attachments constitute the Contract Documents. The Exhibits to this Construction Contract, which are incorporated herein, are:
 - A. Insurance Coverage Certificate
 - B. Prevailing Wage Schedule
 - C. Workers' Compensation Insurance Certification
 - D. Scope of Work

In the event of a conflict between two or more documents comprising the Contract Documents, the specific provisions of this Construction Contract have priority. Any conflict or difference within the Contract Documents shall be called to the attention of COUNTY by CONTRACTOR before proceeding with affected work.
 - 1.1.2 In accordance with the terms of the bid specifications, COUNTY has elected, and the parties do hereby agree, that the scope of work shall be as set forth in Exhibit D.
 - 1.1.3 The total cost to COUNTY for this project is [totalcost], complete with all material, labor, and equipment as may be necessary for the faithful and professional performance of this contract as may be required by COUNTY.
- 1.2 CONTRACTOR agrees to complete full performance in accordance with all plans and specifications [constructiontime] calendar days from the "Notice to Proceed" date for the Base Bid Schedule plus an additional 7 calendar days for each Additive Bid Schedule selected for construction.
 - 1.2.1 Time is of the essence in this contract. Because of the difficulty of computing actual damages, liquidated damages of One Hundred Dollars (\$100) per calendar day shall be assessed if work is not completed and accepted on [finishdate]. The parties agree that this paragraph is a reasonable forecast of just compensation caused by the breach and is not a penalty.
- 1.3 CONTRACTOR agrees that COUNTY shall not be responsible or liable to pay any sum of money over the contract total of [totalcost], except that COUNTY agrees to pay CONTRACTOR based on actual quantities of work performed and other basis of payment specified, taking into account any amounts that may be deductible under this Construction Contract, provided that the work performed is in accordance with the contract, is satisfactorily performed at the direction of the Project Manager, and is covered, if necessary for COUNTY budget purposes, by a contract amendment. Notwithstanding any term contained herein to the contrary, COUNTY shall not be liable or responsible for any payment for additional work or cost unless COUNTY specifically assumes in writing such responsibility and liability on and by itself.
 - 1.3.1 COUNTY will not be responsible for any losses or unanticipated costs suffered by CONTRACTOR as a result of CONTRACTOR'S failure to obtain full information in advance in regard to all conditions pertaining to the work.
- 1.4 Any progress payment shall be due according to contract specifications; final payment shall be due when the contract has been fully performed according to its terms. COUNTY shall make payment when CONTRACTOR submits evidence satisfactory to COUNTY of having appropriately paid all payrolls, material bills, and other indebtedness connected with the work, and of having fully complied with all laws and terms of the Contract Documents. Payment

shall be made promptly in accordance with ORS 279C.500 - 279C.545, and both parties shall have all the rights and duties (including the right to withhold retainage) specified in ORS 279C.550 - 279C.570 regarding payment.

- 1.5 This contract may be cancelled at the election of COUNTY for any substantial breach, willful failure, or refusal on the part of CONTRACTOR to faithfully perform the Contract Documents according to its terms. COUNTY may terminate the contract by written order or upon request of the CONTRACTOR if the work cannot be completed for reasons beyond the control of either the CONTRACTOR or COUNTY, or for any reason considered to be in the public interest other than a labor dispute, or by reason of any third-party judicial proceeding relating to the work other than one filed concerning a labor dispute, and when circumstances or conditions are such that it is impracticable within a reasonable time to proceed with a substantial portion of the work. In either case, if the work is suspended but the contract not terminated, the CONTRACTOR is entitled to a reasonable time extension, costs, and overhead per ORS 279C.655. Unless otherwise stated in the contract, if the contract is terminated due to the public interest, the CONTRACTOR shall be paid per ORS 279C.660.
- 1.6 If COUNTY does not appropriate funds for the next succeeding fiscal year to continue payments otherwise required by the Construction Contract, the contract will terminate at the end of the last fiscal year for which payments have been appropriated. COUNTY will notify CONTRACTOR of such non-appropriation not later than thirty (30) days before the beginning of the year within which funds are not appropriated. Upon termination pursuant to this clause, COUNTY shall have no further obligation to the CONTRACTOR for payments beyond the termination date. This provision does not permit COUNTY to terminate the contract in order to obtain similar services or goods from a different CONTRACTOR.
- 1.7 [RESERVED]

II. NATURE OF THE RELATIONSHIP BETWEEN THE PARTIES

- 2.1. The performance of this contract is at CONTRACTOR'S sole risk. The service or services to be rendered under this contract are those of an independent contractor who is not an officer, employee, or agent of COUNTY as those terms are used in ORS 30.265, and will be so deemed for all purposes.
 - 2.1.1. CONTRACTOR is solely liable for any workers' compensation coverage, social security, unemployment insurance or retirement payments, and federal or state taxes due as a result of payments under this contract. Any subcontractor hired by CONTRACTOR shall be similarly responsible.
 - 2.1.2. CONTRACTOR shall certify it has sufficient insurance coverage and names COUNTY an additional insured on Exhibit A, which is attached and incorporated herein.
 - 2.1.3. This contract is not intended to entitle CONTRACTOR to any benefits generally granted to COUNTY employees.
- 2.2. CONTRACTOR agrees to make all provisions of the contract with COUNTY applicable to any subcontractor performing work under the contract.
- 2.3. CONTRACTOR agrees to not assign this contract or any payments due hereunder without the proposed assignee being first approved and accepted in writing by COUNTY.
- 2.4. CONTRACTOR shall assume all responsibilities for the work and bear all losses and damages directly or indirectly resulting to the CONTRACTOR, COUNTY, or to others on account of the negligence or misconduct of the CONTRACTOR or any subcontractor under the Contract Documents. CONTRACTOR shall indemnify and save harmless the COUNTY, its officials, agents, and employees from all claims, liability, loss, damage and injury of every kind, nature and description, directly or indirectly resulting from activities in the performance of the Contract Documents, the ownership, maintenance or use of motor vehicles in connection therewith, or the acts, omissions, operations, or conduct of the CONTRACTOR or any subcontractor under the Contract Documents or any way arising out of the Contract Documents, to the extent caused by the negligence or misconduct of the CONTRACTOR, or any subcontractor under the Contract Documents. CONTRACTOR shall not be required to indemnify under this paragraph to the extent damages are caused in whole or in part from the negligence of COUNTY, its officials, agents, and employees. The absence of or inadequacy of the liability insurance required in section 2.1.2 above shall not negate CONTRACTOR'S obligations in this paragraph.

III. CONTRACTOR'S SPECIFIC OBLIGATIONS AND RIGHTS

3.1 CONTRACTOR hereby warrants:

- 3.1.1 CONTRACTOR certifies that CONTRACTOR is "responsible" as that term is defined in ORS 279C.375 and that CONTRACTOR:
- (a) has available the appropriate financial, material, equipment, facility, and personnel resources and expertise, or has the ability to obtain the resources and expertise necessary to meet all contractual responsibilities;
 - (b) holds current licenses in this State in order to undertake or perform the work specified in the contract;
 - (c) is covered by liability insurance and other insurance in amounts the contracting agency requires in the solicitation documents;
 - (d) qualifies as a carrier-insured employer or a self-insured employer, or has elected coverage under State Worker's Compensation Law;
 - (e) has made the first-tier subcontractor disclosure required by the contracting agency;
 - (f) has completed previous contracts of a similar nature with the satisfactory record of performance;
 - (g) has a satisfactory record of integrity;
 - (h) is legally qualified to contract with the contracting agency;
 - (i) supplied all necessary information in connection with the inquiry concerning responsibility; and
 - (j) possesses an unexpired certificate issued by the Oregon Department of Administrative Services if the Contractor employs fifty (50) or more full-time workers and submitted a bid for a procurement with an estimated contract price that exceeds \$500,000.
- 3.1.2 CONTRACTOR certifies that he/she has all necessary licenses, permits, or certificates of registration necessary to perform the contract and further certifies that all subcontractors shall likewise have all necessary licenses, permits, or certificates before performing any work. The failure of CONTRACTOR to have or maintain such licenses, permits, or certificates is grounds for rejection of a bid or immediate termination of the contract.
- 3.1.3 CONTRACTOR represents and warrants that CONTRACTOR has complied with the tax laws of this State and any political subdivision of this State, including but not limited to ORS 303.380(4), 305.620, and ORS Chapters 316, 317, and 318. CONTRACTOR covenants to continue to comply with the tax laws of this State and any political subdivision of this State during the term of the public contract, and provides that CONTRACTOR'S failure to comply with the tax laws of this State or a political subdivision of this State before the CONTRACTOR executed the public contract or during the term of the public contract is a default for which COUNTY may terminate the public contract and seek damages and other relief available under the terms of the Contract Documents or under applicable law.
- 3.1.4 CONTRACTOR shall comply with all applicable federal, state, and local laws and regulations, including but not limited to those dealing with the prevention of environmental pollution and the preservation of natural resources that affect the performance of the contract. A list of entities that have enacted such laws or regulations is found in the Oregon Attorney General's *Model Public Contract Rules Manual*.
- 3.1.5 It is a material condition of this contract that CONTRACTOR remain certified as a disadvantaged, minority, women, or emerging small business enterprise under ORS 200.055 or businesses that a service-disabled veteran owns for the entire term of the contract, whenever COUNTY awards the contract, in whole or in part, on the basis of the CONTRACTOR'S certification.
- 3.1.6 CONTRACTOR agrees to prefer goods or services that have been manufactured or produced in this State if price, fitness, availability, or quality is otherwise equal.
- 3.1.7 The CONTRACTOR agrees to remedy all defects appearing in the work or developing in the materials furnished and the workmanship performed under this agreement for a period of one (1) year after the date of acceptance of the work by COUNTY, or as otherwise required by the contract documents, and further agrees to indemnify COUNTY from any costs encountered in remedying such defects.

- 3.2 With respect to payments, CONTRACTOR specifically warrants that:
- 3.2.1 CONTRACTOR shall pay promptly all contributions or amounts due to the State Industrial Accident Fund and the State Unemployment Compensation Fund from CONTRACTOR or any subcontractor in connection with the performance of the contract.
 - 3.2.2 CONTRACTOR and any subcontractor shall pay to the Department of Revenue all sums withheld from employees pursuant to ORS 316.167.
 - 3.2.3 CONTRACTOR shall make payment promptly, as due, to all persons supplying to such CONTRACTOR labor or material for the prosecution of the work provided for in the contract and shall be responsible for payment to such persons supplying labor or material to any subcontractor.
 - 3.2.4 CONTRACTOR shall make payment promptly, as due, to any person, co-partnership, association, or corporation furnishing medical, surgical, hospital, or other needed care and attention, incident to sickness or injury, to the employees of CONTRACTOR, of all sums which the CONTRACTOR agreed to pay or collected or deducted from the wages of employees pursuant to any law, contract, or agreement for the purpose of providing payment for such service.
 - 3.2.5 If CONTRACTOR or a first-tier subcontractor fails, neglects, or refuses to make payment to a person furnishing labor or materials in connection with the public contract:
 - 3.2.5.1 For a public improvement, within thirty (30) days after receipt of payment from the public contracting agency or a CONTRACTOR, the CONTRACTOR or first-tier subcontractor shall owe the person the amount due plus interest charges commencing at the end of the ten (10) day period that payment is due under ORS 279C.580(4), and ending upon final payment, unless payment is subject to a good faith dispute as defined in ORS 279C.580. The rate of interest charged to the CONTRACTOR or first-tier subcontractor on the amount due shall equal three (3) times the discount rate on ninety (90) day commercial paper in effect at the Federal Reserve Bank in the Federal Reserve District that includes Oregon on the date that is thirty (30) days after the date when payment was received from the public contracting agency, or from the CONTRACTOR, but the rate of interest shall not exceed thirty percent (30%). The amount of interest may not be waived.
 - 3.2.5.2 The person may file a complaint with the Construction Contractors Board, unless payment is subject to a good faith dispute as defined in ORS 279C.580.
 - 3.2.5.3 COUNTY may pay such claim to the person furnishing the labor or services and charge the amount of the payment against funds due or to become due to the CONTRACTOR by reason of the contract. The payment of a claim in the manner authorized hereby shall not relieve the CONTRACTOR or its surety from the obligation with respect to any unpaid claim. If COUNTY is unable to determine the validity of any claim for labor or services furnished, COUNTY may withhold from any current payment due CONTRACTOR an amount equal to said claim until its validity is determined, and until the claim, if valid, is paid by the CONTRACTOR or COUNTY. There shall be no financial acceptance of the work under the contract until all such claims have been resolved.
 - 3.2.6 CONTRACTOR shall not permit any lien or claim to be filed or prosecuted against COUNTY due to any labor or material furnished by CONTRACTOR. CONTRACTOR shall assume responsibility for satisfaction of any lien so filed or prosecuted and shall defend against, indemnify, and hold COUNTY harmless from any such lien or claim.
- 3.3 CONTRACTOR'S obligation with respect to its employees:
- 3.3.1 Workers in each trade or occupation employed in the performance of the contract by CONTRACTOR or any subcontractor, as referenced in ORS 279C.580 - 279C.590 and the Davis-Bacon Act (40 USC. 3141, et seq), shall be paid not less than the prevailing minimum hourly rate of wage on the date of CONTRACTOR'S bid, as determined by the Commissioner of the Oregon Bureau of Labor and the U.S. Secretary of Labor (whichever is higher). See Exhibit B attached hereto.
 - 3.3.1.1 For each week during which workers are employed upon the public work, CONTRACTOR, any subcontractor or their sureties, shall file weekly/monthly certificates of rate of wage as required by ORS 279C.845. If COUNTY determines at any time that the prevailing rate of wages has not or is not being paid as required herein, it may retain, for the monies due to CONTRACTOR, an amount sufficient to make up the difference between the wages actually paid and the prevailing rate of wages, and may also cancel the contract.

- 3.3.1.2 CONTRACTOR shall be liable, and shall hold COUNTY harmless therefrom, to the workers affected for failure to pay the required rate of wage in the amount of their unpaid minimum wages, including all fringe benefits under ORS 279C.840 and the Davis Bacon Act 40 USC 276(a).
- 3.3.1.3 A fee of one-tenth of one percent (0.1%) of the price of this contract is required to be paid to the Bureau of Labor and Industries as provided in ORS 279C.825 and shall be paid by COUNTY.
- 3.3.2 The CONTRACTOR, its subcontractors, if any, and all employers working under the contract are subject employers under the Oregon Workers' Compensation Law and shall comply with ORS 656.017, which requires them to provide workers' compensation coverage for all their subject workers. See Exhibit C attached hereto (Workers' Compensation Insurance Certification).
- 3.3.3 For all public contracts, with certain exceptions listed below, CONTRACTOR shall not employ an employee for more than ten (10) hours in any one day, or forty (40) hours in any one week except in case of necessity, emergency, or where public policy absolutely requires otherwise, and in such cases CONTRACTOR shall pay the employee at least time and a half for:
- (a) All overtime in excess of eight (8) hours a day or forty (40) hours in any one week when the work week is five (5) consecutive days, Monday through Friday, and
 - (b) All overtime in excess of ten (10) hours a day or forty (40) hours in any one week when the work week is four (4) consecutive days, Monday through Friday, and
 - (c) All work performed on the days specified in ORS 279C.540.
- 3.3.4 The CONTRACTOR shall comply with the prohibition set forth in ORS 652.220, which compliance is a material element of the contract and for which failure to comply is a breach that entitles COUNTY to terminate the contract for cause.
- 3.3.5 The CONTRACTOR may not prohibit any of the CONTRACTOR'S employees from discussing the employee's rate of wage, salary, benefits, or other compensation with another employee or another person and may not retaliate against an employee who discusses the employee's rate of wage, salary, benefits, or other compensation with another employee of another person.
- 3.3.6 CONTRACTOR must give notice to employees who work on a public contract in writing, either at the time of hire or before commencement of work on the contract, or by posting a notice in a location frequented by employees, of the number of hours per day and days per week that the employees may be required to work.
- 3.3.7 By execution of this contract, CONTRACTOR agrees to have an employee drug-testing program in place at the time of executing the contract, and that such a program will be maintained throughout the contract period, including any extensions. The failure of CONTRACTOR to have or maintain such a drug testing program is grounds for immediate termination of the contract. The CONTRACTOR shall require each subcontractor providing labor for the project to also comply with this drug testing program requirement.
- 3.3.7.1 COUNTY shall not be liable, either directly or indirectly, for any dispute arising out of the substance or procedure of CONTRACTOR'S drug testing program. Nothing in this drug testing provision shall be construed as requiring CONTRACTOR to violate any legal rights, including constitutional rights, of any employee, including but not limited to selection of which employees to test and the manner of such testing. COUNTY shall not be liable for CONTRACTOR'S negligence in establishing or implementing, or failure to establish or implement a drug testing policy, or for any damage or injury caused by CONTRACTOR'S employees acting under the influence of drugs while performing work covered by this contract. These are CONTRACTOR'S sole responsibilities and nothing in this provision is intended to create any third-party beneficiary rights against COUNTY.
- 3.4 CONTRACTOR'S obligations with respect to subcontracting:
- 3.4.1 CONTRACTOR may only substitute a first-tier subcontractor that was not disclosed under ORS 279C.585 in accordance with statutory criteria, including demonstration of inadvertent error, the subcontractor's failure or refusal to execute or perform under a written contract, to meet bond requirements, to perform substantially satisfactory work or affirmatively causing substantial delay or disruption to work progress, subcontractor's bankruptcy or insolvency, or failure to be registered with Construction Contractors Board, if required, or otherwise be eligible to work on a public improvement project pursuant to applicable statutory requirements.

- 3.4.2 CONTRACTOR is solely responsible for ensuring that any subcontractor selection and substitution has been in accordance with all legal requirements. COUNTY shall not be liable, either directly or indirectly, in any dispute arising out of the CONTRACTOR'S actions with regard to subcontractor selection and substitution.
- 3.4.3 CONTRACTOR shall provide in the CONTRACTOR'S subcontracts that a subcontractor remain certified as a disadvantaged, minority, women, emerging small business enterprise under ORS 200.055, or businesses that a service-disabled veteran owns for the entire term of the subcontract, if the CONTRACTOR awards the subcontract, in whole or in part, on the basis of the subcontractor's certification.

IV. COUNTY'S SPECIFIC OBLIGATIONS AND RIGHTS

- 4.1. COUNTY reserves the right to refuse delivery of materials or services at or from any manufacturer, plant, or Contractor with which COUNTY has reasonable grounds to believe is or may be operating in violation of any local, state, or federal laws, or which is the subject of pending litigation.
- 4.2. Unless otherwise provided, data which originates from this contract shall be "works for hire" as defined by the U.S. Copyright Act of 1976 and shall be owned by COUNTY. Data shall include, but not be limited to, reports, documents, pamphlets, advertisements, books, magazines, surveys, studies, computer programs, films, tapes, and/or sound reproductions. Ownership includes the right to copyright, patent, register and the ability to transfer these rights. Data which is delivered under the contract, but which does not originate therefrom shall be transferred to COUNTY with a nonexclusive, royalty-free, irrevocable license to publish, translate, reproduce, deliver, perform, dispose of, and to authorize others to do so; provided that such license shall be limited to the extent which the CONTRACTOR has a right to grant such license. CONTRACTOR shall exert all reasonable effort to advise COUNTY, at the time of delivery of data furnished under this contract, of all known or potential invasions of privacy contained therein and of any portion of such document which was not produced in the performance of this contract. COUNTY shall receive prompt written notice of each notice or claim of copyright infringement received by CONTRACTOR with respect to any data delivered under this contract. COUNTY shall have the right to modify or remove any restrictive markings placed upon the data by CONTRACTOR.

STATE OF OREGON
STATUTORY PUBLIC WORKS BOND

Surety bond #: _____ CCB # (if applicable): _____

We, _____, as principal, and _____, a corporation qualified and authorized to do business in the State of Oregon, as surety, are held and firmly bound unto the State of Oregon for the use and benefit of the Oregon Bureau of Labor and Industries (BOLI) in the sum of thirty thousand dollars (\$30,000) lawful money of the United States of America to be paid as provided in ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, for which payment well and truly to be made, we bind ourselves, our heirs, personal representatives, successors and assigns, jointly and severally, firmly by this agreement.

WHEREAS, the above-named principal wishes to be eligible to work on public works project(s) subject to the provisions of ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, and is, therefore, required to obtain and file a statutory public works bond in the penal sum of \$30,000 with good and sufficient surety as required pursuant to the provisions of section 2, chapter 360, Oregon Laws 2005, conditioned as herein set forth.

This bond is for the exclusive purpose of payment of wage claims ordered by BOLI to workers performing labor upon public works projects in accordance with ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360.

This bond shall be one continuing obligation, and the liability of the surety for the aggregate of any and all claims which may arise hereunder shall in no event exceed the amount of the penalty of this bond.

This bond shall become effective on the date it is executed by both the principal and surety and shall continuously remain in effect until depleted by claims paid under ORS chapter 279C, as amended by Oregon Laws 2005, chapter 360, unless the surety sooner cancels the bond. This bond may be cancelled by the surety and the surety be relieved of further liability for work performed on contracts entered after cancellation by giving 30 days' written notice to the principal, the Construction Contractors Board, and BOLI. Cancellation shall not limit the responsibility of the surety for the payment of claims ordered by BOLI relating to work performed during the work period of a contract entered into before cancellation of this bond.

IN WITNESS WHEREOF, the principal and surety execute this agreement. The surety fully authorizes its representatives in the State of Oregon to enter into this obligation.
