

# U.S. 26 / OR 380 Curb Ramps (Prineville)

**ODOT is updating curb ramps in your area this Spring & Summer**

We are improving accessibility by correcting non-ADA complaint curb ramps on the eastern end of Prineville. You can expect construction activity at the following locations:

- U.S. 26 (Ochoco Highway) from the intersection of U.S. 26 / Hickey Farms Road to the intersection of U.S. 26 / NE Stearns Drive.
- OR 380 (Paulina Highway) from the intersection of NE Combs Flat Road/ NE Mason Drive to the intersection of NE Combs Flat Road/ SE 2nd Street.

Construction is expected to begin the last week of April. During construction you can expect:

- 🚧 Crews working during the day throughout Spring and Summer.
- 🚧 Sidewalk, shoulder, and lane closures with flaggers helping direct traffic as needed.
- 🚧 Construction noise.
- 🚧 Possible delays.

Construction schedules are subject to change. Check the project website for the most up to date construction details. The construction schedule will be updated on the website once finalized.
