Crook County Health Department
COVID-19 Vaccine Clinic

Every Tuesday, Crook County Fairgrounds
1280 Main St, Prineville, OR 97754

Crook County Health Department will have vaccination clinics every Tuesday at Crook County Fairgrounds.

What you need to know:

- Vaccine doses are by appointment only.
- Our clinic is only using the Moderna vaccine which requires a 2nd dose 28 days after the 1st dose.
- Bring identification to your appointment, we will ask for proof of your age.
- Once you get the 1st dose, you will need to make a second appointment 28 days later.

Appointments can be made at: crookcounty.simplybook.me/v2/

If you have questions or would like to schedule an appointment by phone call: (541) 447-5165

Frequently asked questions:

"The simplybookme site will not let me book an appointment for March when my second dose of the Moderna vaccine is due."

Appointments are available one week at a time. The state gives our clinic a certain number of vaccines a week. Once we know the number of vaccines we are going to get, our clinics makes the same number of appointment available. This ensures we are not having to cancel appointments or waste vaccines.

"An appointment is not available exactly 28 days after my first dose of the Moderna vaccine. What do I do?"

It is okay if your appointment is not exactly 28 days after your Moderna dose. Our clinic reports the number of 1st doses we have given to ensure they send the right amount of second doses when the time comes.

"I got my first dose at the Deschutes County Fair & Expo Center can I make an appointment for my second dose with your clinic?"

Unfortunately, no. If you get the first dose of the COVID-19 vaccine at Deschutes County Fair & Expo Center, you will need to get your second dose there as well.

"How long is the appointment?"

You will want to block our 30-40 minutes of your day for the appointment. We ask each patient to sit and wait at the clinic for 15 minutes after getting their COVID-19 vaccine.
