CROOK COUNTY

NOV 05 2021

PLANNING DEPT

Yes, it is. I just wanted to let it be known that Knife River must have been worried when they started mining the Woodward property six years ago. They drilled this well before anything happened, but are offering me a cistern that would have to have water carried in. How long would that take and why is it double standards in the water matter ? Sincerely, Billie Johnson

Hi Billie,

The link isn't working. Is it a link to the same document you sent by separate email?
