I William A Seguan Owner of Seguan Ranch llc. am in favor of the 18 events that Greg Hurston of the King ranch is asking for.

We have lived here since 1947, I missed the events when the railroad stopped at the Ranch

Through the years we have enjoyed seeing the events at the Pavilion and have attended a few.

I don't ever remember any problems, although one time when the robbers was robbing the train I almost got my gun out of the narrow bed and shot at them?
