RE: Exhibit 18, 217-23-001215-PLNG

During the open record period ending on January 10<sup>th</sup>, Crook County Community Development received a submittal from Tami MacLeod (Exhibit 18). It included six attachments, however, the attachment named "01 10 2024 Ltt Planning Commission with Exhibits.pdf" did not open and was not received by the county prior to the applicable deadline. Accordingly, that attachment was not timely received by the County and is not included as a part of Exhibit 18. The other five attachments received with Ms. MacLeod's email are included with Exhibit 18 and are made a part of the record.

Kind Regards,
