Dear Commissioners,

On behalf of Central Oregon LandWatch, thank you for the opportunity to comment on the above matter. LandWatch was not provided with notice of this hearing though we have been a party since February of this year.

As explained in our earlier letter we request the Planning Commission to delay holding the hearing until all parties and neighbors who may want to present their views to you will have notice. Crook County's Community Development Director has explained the *noticed* hearing will be rescheduled. Hopefully everyone will receive notice of that hearing so they can participate.

LandWatch respectfully urges the Planning Commission to deny the above application which does not comply with the applicable law. Our understanding from your staff is that pursuant to ORS 197.797(3)(f)(A) the county will provide 20 days' notice to all persons entitled to notice before the new hearing, as requested. Pursuant to ORS 197.797(6) we request that this hearing be kept open for at least seven days.

Sincerely,

*/s/ Carol Macbeth*
