As a resident of Juniper Canyon, I say NO to Dollar General. This is a residential community. The majority of the people who live here, moved here to have a peaceful way of life.

My concern is also for the increase in traffic. With more traffic comes more accidents. Without a secondary egress, the chance of being trapped up here increases immensely. It has not been that long since this area was frozen for 5 hours because of an accident. People could not leave or come home. I personally had a private contractor with a young child who could not leave this area until 10:00pm.

Please consider all this in your thought process.
