PLANNING DEPT

I'm writing to voice my opposition to the Dollar General proposed location in Juniper Canyon. This is a residential area and is zoned recreational residential not for commercial use. This store would create additional light pollution where there is already too much with outside lights on all night, additional traffic and difficulty entering the highway from Ridgeview, France and View Top creating a traffic hazard. Also in addition the noise, trash and potential for vandalism of adjacent properties and as other Dollar Generals sell beer, this would create additional night time traffic.

Please note that trash pick up thus far has been by volunteers not the county.

Please deny the application for this Dollar General.
