We were very disappointed to hear of the proposed building of a Dollar General on Juniper Canyon.

A store in this area is not needed as there is a Dollar Tree a few miles away at the east end of Prineville already serving the residents of the community.

A store in a residential area promotes vandalism/burglaries and the commercial lights are detrimental to the surrounding area.

There is always concern about the one-way in/one-way out traffic on Juniper Canyon. This proposed store would add to this worry.

Thank you for reconsidering this proposal. JERRY & GLENDA RANEY
