To Crook County Commissioners:
Concerning Proposed Dollar General Store on
Juniper Canyon Road.

We are opposed to this project for the
following reasons:

- 1) Rich's Place on Juniper Canyon Rd already exists
and could supply similar products to the public
in the existing store.
- 2) Our understanding of permit for a convenience
store the location of Granny's Ice Cream was
denied after there had been a previous permit
approved.
- 3) Potential for congestion on Juniper Canyon Rd.
with vehicles entering and exiting the location.

Please take these concerns into consideration
for making a final decision.
