Hello,

As a local business owner and Crook County property owner with interest in the area proposed for a Dollar General, I would like to voice my concerns for this proposal. I am not in favor of a Dollar General in Juniper Canyon. I am a proud supporter of local businesses and love the spirit of Crook County for "keeping it local". While there is a lack of convenience for some in Juniper Canyon, I feel it would be most beneficial to focus on growing local businesses in that area to serve the community. Dollar General has a proven track record of targeting low income areas and taking advantage of the community. I fear this would be a poor decision to allow this in Crook County.

Thank you for your time and consideration.

Kind Regards,
