PLANNING DEPT

I have lived up here 34 years and I honestly do not believe the Dollar General store is appropriate for up here. And I do not want home value to go down. I do not want the extra traffic up here over it. I have 2 houses that it would affect if you put in that crappie store. Besides that we have a Dollar Tree we're good. I think the planning department should be more interested on working getting a second escape route for a fire . What is 5 miles to town if people can't drive that extra 5 miles they don't need to go shopping. So my answer is a big giant no on Dollar General store up here.
