**CROOK COUNTY**  
**MAY 03 2024**  
**PLANNING DEPT**

The proposed size of the store, the operating hours, the noise and light pollution, plus the traffic hazards make this store a very poor addition to a rural area. This section of road has limited visibility for traffic heading east, it is near the top of the grade and passing lane, heavy traffic pulling boats and R.V's is the norm from Memorial day on. such vehicles pulling out would be a hazard and slow traffic that has passed similar vehicles coming up the [hill.It](#) would also block the west bound lane while vehicles wait to pull in to the store. Winter conditions are not good at this elevation while traffic lessens ice and snow increase traffic hazards for vehicles entering and exiting this store. I'm really amazed the county would consider placing a store roughly the size of Grocery outlet in a quiet rural area which is the reason many people moved here. Thank You, Donald Johnson, Catherine Johnson 10225 SE Ridge View RD.
