To whom it may concern,

I have just recently found out that there is an application for a Dollar General store on Juniper Canyon.

I have lived up here for 25 years and the beauty of living away from businesses and retail establishments keeps Juniper Canyon unique and special.

This is a horrible idea and I am **STRONGLY** opposed to it.

The idea of businesses like that up in this beautiful area is horrific. Prineville should continue to be a small rural town that does not have haphazard stores placed in odd areas. Eventually, it will be like all other town with mini malls all over the place.

Prineville is not that far away. Please keep retail stores in town and not up here.

Sincerely,

Janis McGarvey
