Dear Ms McDonald,

We are very opposed to the construction of the proposed Dollar General.

Our concerns:

We are experiencing a drought.

Increased traffic, including trucks to deliver their products.

Light Pollution: (What about our "dark sky"? Protection from excessive artificial light at night.

We all have one road out of here in case of fire. Safety concern.

Increased risk of fires.

Rubbish thrown out. Trash pick up will not happen.

Our property value will decrease; historically happens when Dollar General appears.

Destroy the peace and quiet in our neighborhood.

We will feel less secure and will have to erect a fence.

The location will invite more accidents.

Could become a hang out for the beginnings of homeless camps.

Thank you!
