We are opposed to Dollar General coming to Prineville for several reasons.

1. There is a stigma associated with this type of store, which would impact real estate prices.
2. It would impact small businesses in the community, which are trying to revive the down town area.
3. It threatens the INTL Dark Skies designation.
4. Dollar General has a reputation for not treating employees fairly.

This type of store is not what Prineville needs.

Thank You for your time.
