As a law abiding citizen and contributor to the community My household & **I OBJECT** to the application of opening a Dollar General around the corner from my house. We must protect the values of this community and this town as the opening of this big franchise brings major threats to the community & wildlife around our beautiful city, by placing a huge franchise like this it ruins the integrity of what is Prineville. It will ruin the towns small businesses and bring out of town recklessness that this town does not need. Already there is a slew of RV dumping just in the county next door, this build will come with a huge parking lot where the loitering will begin. I can just imagine the traffic that it will also bring the Juniper Canyon residents. **Please hear our voices, WE DO NOT WANT THE BUINSESS OF DOLLAR GENEREAL IN OUR BACK YARD.**
