We received this blasting notice. We noticed two things:

- 1) The Crook County "application" lists one person for the LLC (the application states **all members** should be listed for an LLC)
- 2) The DOGMA Exhibit states Greenbar Excavation does not have a permit to blast? The only permit was previously in Bartel's name?

We OPPOSE this application.

Dear Resident,

This letter is to notify you that on February 21, 2022, we will be blasting to produce locally sourced aggregate for our community and will conclude operations the same day. Your home, school, church, shop or other manmade structure is located within the proposed blasting area located at 10955 SE Juniper Canyon Rd Prineville, OR 97754. We will be taking precautions at our blasting operations; however, you may experience some vibrations.

If you have any questions about the blasting, please contact me at [541-903-4343](tel:541-903-4343).

Sincerely,

Tanner, Sean, and Jenna Brown
