Hello,

Thank you for all of the effort, planning and hard work that has been put into the staff report and public hearing.

It is important that we continue to foster community trust and relations with our neighbors, the community and Crook County and after listening to the concerns of our neighbors and much consideration, we have made the decision to not continue moving forward with the conditional use permit.

Please withdraw application #217-20-000371-PLNG effective immediately.

Please let us know if there is anything else that we need to do to officially withdraw the application.

Thank you for your time.
