Shutting down a road and putting traffic onto a road that wasn't designed to accommodate extensive traffic it will put on it. We don't need to add another resort we already have one please consider something different. We need things in our community for our kids.

Subject: File No. 217-22-000082-PLNG

Hello Will,

Central Oregon LandWatch is concerned whether application file no. 217-22-000082-PLNG, a modification application for DR-08-0092, meets the relevant criteria. Please notify us of any decisions or hearings. Our address is 2843 NW Lolo Drive, Suite 200 Bend, Oregon 97703.

I know that the County sent an incomplete letter on this application back in February. Has there been any response from the applicant?

Thank you,

Rory Isbell
