**Crook County
Community Development**

I oppose of this!

There is already a serious traffic issue & water issues here in our beautiful community!

The county has done nothing to help the traffic that face book has created! There are more accidents on HWY 126, now more than ever!!

Also people here are having to dig deeper wells in order to have water!

Putting a resort here will take away all of our water that we need for the ranchers & our crops!

We moved here to be away from congestion and traffic! This community is Ranch's & Farmland, not for tourist! We do not want our beautiful community turning in to Bend, OR!!

Brasada is bad enough & still growing!

We do not support this new development at all!

Thank you,
Valerie & Doug Early
