Dear Hannah , another question the Powell Butte Community needs to ask is this ...If the Cross Trails Resort Modification application is allowed to be built WILL IT Open the Door to a Legal Precedent for Future Legal Modification amendments to the 330 Ordinance and Powell Buttes development code 18.108 for Additional Developments in and around Powell Butte ?????

There exists a Legislative process that Amends Building Codes in the County so Big Law Firms and Multi Billion dollar Real Estate REITs like Sun Communities can afford the battle to get these amendments through the legal process .

These 2 links highlight the amendment process ,
