Subject: Protest against Crossing Trails Resort

CROOK COUNTY
JUL 06 2022
PLANNING DEPT

To whom it may concern,

This email is to state that I, Shona M. Lyster of Powell Butte, OR, am not in favor of the Crossing Trails Resort. I am vehemently against the proposed modification as well.

The basis for my rejection of this proposed resort is as follows:

1. Increased traffic for our community on roads already stressed for the population and not equipped to handle large RV's and the predicted trip load per day.
2. Increased danger to school children crossing the street and parents trying to navigate the busy Hwy.
3. Our water table is not able to support the additional proposed use.
4. Toxicity and environmental hazards of having a waste facility in close proximity to water source as proposed.
5. The necessary power supply that would be needed would be an additional problem. Our power is already a problem with the data centers now in the area.
6. The developer has not been honest and forthcoming with dates regarding the original permits, extensions and modification.
7. This proposed destination resort does not meet the county code for such.

Our community as whole is against this "destination resort" for many reasons that are legally justified. We are also against it for the culture and way of life it will destroy.

I am formally stating my request to keep informed of all meetings and hearings pertaining to the Crossing Trails Resort. I am also requesting to be put on public record for opposing the Crossing Trails Resort and any modifications.

Thank you,
Shona M Lyster
