Dear Crook County Planning Department,

Thank you for giving us the opportunity to give our objections to the proposed destination resort in Powell Butte, Oregon. We have enjoyed living in Powell Butte for 23 years.

This is a bad idea, here are just a few reasons.

1. Traffic Concerns

We have all had close calls when trying to get on Highway 126. Even the roundabout entering or leaving Prineville is difficult. Adding 750 housing units with the Crossing Trails will make accidents inevitable.

2. Water

We have been enduring extreme drought conditions. In some areas wells are dry and families must have water delivered. Farmers are facing water that will be turned off before they can reap their crops.

3. Staffing needed for more Fire and police Protection. Who will pay for this? The taxpayers of course!

We stand with those that feel the county code has been violated by the many extensions given since 2008.

There have been so many thoughtful, thorough letters objecting to this "resort". We agree with all of them.

We sincerely hope the Planning Commission will address these many concerns raised by Powell Butte residents.

Sincerely,

Chuck & Nancy Cruikshank
