CROOK CO. Planning Com.

On July 6th We found out a 500 ACRE RESORT wants to come in on PARRISH lane and Wiley Rd.

We live on PARRISH Ln. and we are a farming community, and very proud of what we do. We are very concerned about our wells, power, traffic, and what is going to happen to our farming community.

What in the world could you be thinking to even consider this resort.

Please stop this resort from going forward.
