RE: PROPOSED 580 ACRE RESORT
PAMMISH LN. and WILEY RD

SIRS and Madams of the CROOK CO Planning Commission,
AS PROPERTY OWNERS we wish to STRONGLY object to
any CONSIDERATION given to advance THIS PROPOSED
RESORT.

MANY REASONS could be LISTED, BUT JUST A FEW
PRIMART ones would be:

1. WATER - wells are already being STRESSED in our
area and THIS RESORT would necessitate more drilling
on wells THAT DRY UP.
2. TRAFFIC - We have experienced with FACEBOOK, A higher
VOLUME OF VEHICLES THAT are now utilizing HUSTON LAKES
ROAD as A PRIMART MEANS TO AVOID THE HEAVY VOLUME
ON 126.
3. TRANQUILITY and QUALITY OF LIFE, THE RESORT would
create a lot of diversions THAT would aid in DESTROYING
THE COMMUNITY ASPECT OF POWELL BUTTE.
4. STRESS ON PRIMARY SERVICES, I.E. EMERGENCY RESPONSE
OF FIRE and POLICE SERVICE. (AMBULANCE also)

Please, do NOT APPROVE THIS RESORT!

Sincerely,

Glenn and Dorothy McDonald

Crook County
