crook co. resident; 70 yrs.
powell butte resident; 40 yrs.
powell butte cowman; 36 yrs. (retired)

subject; opposing cross trails subdivision

the only mention of fencing for cross trails is barb wire to keep livestock out.

there is a need to build a low maintenance 6 to 8 ft masonry fence around the entire perimeter to ensure containment/privacy.

this would protect & secure area residents as well as avoid potential liability.

THANK YOU !
