I wanted to voice my whole hearted support for the proposed project in Powell Butte. I am a property owner (7742 sw Red cloud lane, powell butte or 97753), a professional in the community (a custody evaluator and expert witness in parenting in Deschutes County) and mother of three. This will enrich our community, bring vibrant energy and hopefully, diversity. This benefits all residents of Crook County and decreases the isolationist, closed minded tendencies that serve no one.
