Subject: I Disgree with letting another resort to move here

CROOK COUNTY
JUN 16 2022
PLANNING DEPT

Big Concern about the proposed Crossing Trails destination resort on Parrish and Wiley. Our roads cannot handle the traffic, J
Just because there is money to be made here from some development company that don't even live here. It will not help Crook County to develop but will hurt our infrastructure and now we don't have enough people as it is to help. We don't need another resort in crook county to create problems for the people and farmers who have lived here all their life's.
Sincerely
Ellen Jakab
