Hi Hal,

As of 5/3/22, the above application is deemed complete. This is not to say that as staff begins preparing the staff report that we will not request additional information relating to the applicable approval criteria. And as you know, there are outstanding transportation issues. Hopefully by deeming the application complete now, it will help facilitate conversations amongst the applicant, county, ODOT, and other agencies. I strongly encourage your traffic engineers to coordinate with the County's retained engineer to address those outstanding issues.

Thank you. Please let me know if you have any questions.
