Subject: Crossing Trails Modification Application Withdrawal

Will and Brent

Sun Communities has decided to withdrawal the application for the modification request for the project known as "Crossing Trails". Sun's Decision to withdraw the application is based on economic viability due to the extreme capital costs of offsite improvements that are upwards of 20 million dollars. If there is something more than this correspondence that is required to make the withdrawal "official" please let me know.

We thank you for your time and efforts and hope to work with Crook County in the future.
